Want to help PILA?

Check out Grad Housing!

What is it? Grad Housing partners 3Ls who need graduation weekend housing for family and friends with 1Ls and 2Ls who can rent out part or all of their apartments and houses. Housing providers keep half of the money they make, and donate half the money back to PILA!

How does it work? 1Ls, 2Ls and other members of the law school community provide accommodations for families and friends of graduating 3Ls. PILA uses the renters' and the providers' information to make matches and facilitate the process. The parties will be responsible for reaching final agreement stipulating price, dates, and other details.

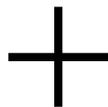

When is it? UVA Law's graduation is Sunday, May 20, 2012. Students can rent out their apartments for as many or as few nights as desired, in conjunction with the renter's needs.

How much money can I make? Housing providers may charge as much or as little as they wish, depending on the unique characteristics of the rental. Providers may also wish to negotiate with the purchaser. It is appropriate to take into account the number of people who will be staying and the number of nights.

How do I sign up? Use the form on the back of this flier to sign up to become a housing provider, or e-mail kar3vd@virginia.edu for an electronic form. Additional forms are available on the PILA bulletin board in Hunton & Williams Hall.
